

# How to: “Make the Best Choice for the Best Voice”

## Come and see an assortment of AAC Devices (augmentative & alternative communication devices) available to you in your area.

Local reps and distributors will demonstrate devices for persons with complex communication needs (CCN)

### Orange/Ulster BOCES

53 Gibson Road • Goshen, New York

Tuesday, August 25th 2009 • 11:30 – 4:00

Co-sponsored by:

### ATIA and the ATIA AAC Special Interest Group

Blink Twice, DynaVox, Prentke Romich, Saltillo, Tobii ATI, Words+

Space is limited – so register early!

This team of device experts will make sure you

- “See and hear” their devices
- Learn about the valuable resources they provide
- Answer funding questions about local resources
- Leave with contact information for all resources
- Learn more about online clinical resources to assist you with funding

### Lunch is provided

CEU's provided by AAC Institute

(see <http://www.aac institute.org/CEUs/Participants.html> for more info)

### Attend this event for only \$25. See the registration information below.

Note: This vendor forum is the second part of a two-day workshop, and you can attend the vendor forum for only \$25. Professionals who would like to learn more about AAC evaluations should consider taking the full two-day workshop called “Augmentative Communication Evaluations Simplified”. Participants will receive templates, toolkit lists, and resources to assist in AAC assessments, plus admission to the vendor forum. The cost for the workshop is as low as \$250 – for more information, go to [www.aacTechConnect.com/workshops](http://www.aacTechConnect.com/workshops).

**SIGN UP TODAY!**
